Approved	Antonio Saldaña Sage HO Certifications- Approvals &Processes (TAQQ) AIRBUS DEFENCE AND SPACE- Military Aircraft		28/3/17
V.ºB.º	Antonio Padín Alcorlo HO Quality (TAQ) AIRBUS DEFENCE AND SPACE- Military Aircraft		29/3/17

The process certification shall be maintained, by supplier, according to the last issue of applicable documentation, unless otherwise indicated
The validity of this certification cover sheet and its certification is to be contrasted with the Certifies Special Processes List (CSPL) published in its latest review. The latter information will prevail on the cover sheet, meaning that if certification is not included in this, certification is not active or is canceled and therefore the supplier is not certified for this process.
